

DESIGN

We have developed a list of important questions necessary to individualize your design. During our first meeting we will discuss the 'look' that is aesthetically appealing and how you plan to use your property. Please complete the following questionnaire to help set up a preliminary budget. Circle one or more of the letters that best characterize your preference.

1. Features that you are contemplating for your yard.
 - a. Swimming pool or spa
 - b. Waterfall
 - c. Landscape lighting
 - d. Fencing
 - e. Cooking area
 - f. Fireplace or fire pit
 - g. Columns or entrance monuments
2. Is privacy an important issue in the backyard?
 - a. Yes
 - b. No
3. Do you currently have drainage issues for the house or yard?
 - a. Yes
 - b. No
4. Do you prefer a more natural or formal look? Some people like one look for the front and a different look for the back.
 - a. Natural
 - b. Formal
5. What are your favorite colors?
 - a. White
 - b. Pink
 - c. Red/orange
 - d. Blue/purple
 - e. Yellow
6. What patio surfaces do you find more appealing?
 - a. Brick
 - b. Stone
 - c. Block
 - d. Stamped concrete
7. Do you prefer to have more or less lawn? This is a maintenance question for some people.
 - a. Less
 - b. More
8. What type of wall material do you prefer?
 - a. Boulders
 - b. Flagstone
 - c. Mortared stone or brick
 - d. Block wall
9. Which of the following ground covers do you prefer?
 - a. Mulch
 - b. Gravel
 - c. Groundcovers
 - d. Decorative grasses
 - e. Perennials/annuals

Now we are ready to put ideas on paper. I will need a copy of your plat plan or survey to get started. It takes approximately two weeks to design a plan.

Thank you for your inquiry and we forward to working with you.
